Prescription Treatment brand™

PRECLUDE™

INSECTICIDE

Active Constituents:

11g/L PYRETHRINS - 22g/L PIPERONYL BUTOXIDE
37g/L N-OCTYL BICYCLOHEPTENE DICARBOXIMIDE

**Kills and controls: Ants, Bed Bugs, Beetles, Cockroaches,
Fleas, Flies, Mosquitoes, Moths, Silverfish, Spiders, Wasps and
other flyer and crawling insect pests in buildings**

DILUTION

Heavy infestation - 20ml/L • Maintenance - 10ml/L
Fogging - 5ml/L

1 litre

SITUATION	RATE	PEST	Critical Comments
Bakeries	Heavy Infestation 20ml/L	Ants	If possible locate nest and spray. If not spray all infested areas.
		Bed Bugs	Fumigate all bed linen and mattresses. Wash bed linen and clothing before reuse. Spray Preclude to cracks and crevices, bed frames, walls and skirting boards.
Barns	Maintenance 10ml/L	Beetles	Spray all areas where beetles are known to frequent.
Canneries		Cockroaches	Thoroughly spray where insects hide (cracks and crevices, cavities behind sinks and stoves in and around drains and cupboards) until run off. If insect hiding areas are not accessible spray barrier strips around them.
Dairies	Indoor Fogging 5ml/L/1500m ³	Fleas	Vacuum and dust infected areas and burn all collected dust. Lightly spray.
Food Processing		Flies	Spray all surfaces where flies are likely to rest e.g. around windows, cornices and ceilings etc.
Plants	Outdoor fogging 2L/400Lha	Mosquitoes	Spray to run off to all areas where mosquitoes rest e.g. walls and ceilings, garden areas, fences etc. Fog areas per fog rate.
Homes		Moths	Spray all areas where moths frequent e.g. wardrobes, cupboards etc. Fog areas per fog rate.
Hospitals	Outdoor fogging 2L/400Lha	Silverfish	If possible locate infestation and spray. If no result spray all surfaces that silverfish travel over, particularly cupboards and all dark areas.
Industrial Plants		Spiders	Thoroughly spray all visible spiders and any spot where they hide e.g. cracks and crevices, spray with wet spray but do not remove for several days.
Offices	Outdoor fogging 2L/400Lha	Wasps	Locate nest and spray. Otherwise spray entry points and nesting areas.

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORIZED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS: Compatibility: DO NOT mix with any other product. **Mixing:** Shake container well before measuring amount out to ensure uniform distribution of microcapsules. Premix the measured amount of Preclude in two to three times as much clean water. Add to spray tank, rinsing out measuring cup and add rinsings and water while mixing continuously to the recommended dilution amount as per above table.

Application: Use clean equipment only fitted with a fine 0.5mm sprayer mesh screen. Agitate sprayer while using. Apply as directed for particular rate. After use clean the equipment with clean fresh water.

PRECAUTION: Before use, remove or cover all exposed food, utensils, or places where food is prepared or stored.

PROTECTION OF WILDLIFE, FISH CRUSTACEANS AND ENVIRONMENT. Low hazard to bees.

DO NOT contaminate streams, waterways with chemical or used containers.

STORAGE AND DISPOSAL Store in the closed, original container in a cool, well-ventilated area, out of the reach of children. Do not store for prolonged periods in direct sunlight. Triple or preferable pressure rinse containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycle or designated collection point. If not recycling, break, crush, or puncture and bury empty containers in a local authority landfill. If no landfill is available, bury the containers below 500mm in a disposal pit specifically marked for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers and product should not be burnt.

SAFETY DIRECTIONS Repeated exposure may cause allergic disorders. Sensitive workers should use protective clothing. Avoid contact with the eyes and skin. **DO NOT** inhale spray mist. Wash hands after use.

FIRST AID If poisoning occurs contact a Doctor or poison information centre.
